

# Solarize Nonprofits

*A Collaborative Approach in Southwest Ohio*

*Are you part of a nonprofit, house of worship, school, or local government interested in going solar?*

*Are you located in Southwest Ohio?*

**Check out the Solarize Nonprofits program!**

## **WHAT?**

*Education and expert advice, bulk purchase pricing, and vetted solar installers. There's no cost or commitment required to join the cohort.*

## **WHY?**

- 30%+ tax rebates available for a limited time
- Energy affordability and stability
- Reduce emissions and support a healthy environment
